

Remarks

Claims 19 through 27 are indicated as allowed.

The specification is amended to indicate that the upper and lower holes are holes 7U and 7L respectively. No new matter has been added.

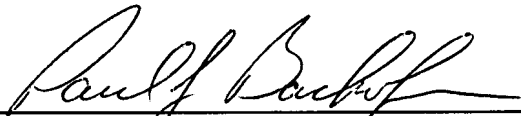

A proposed drawing sheet is included reflecting the reference numbers for the upper and lower holes. No new matter has been added.

Conclusion

This response has addressed all of the corrections required in the notice of allowance. Prompt processing and publication of this application is requested.
